

# THE LOST PROMISE

## AMERICAN UNIVERSITIES IN THE 1960s

**ELLEN SCHRECKER**

A magisterial examination of the turmoil that rocked  
American universities in the '60s

“Ellen Schrecker’s careful and enlightening account of the universities in the ‘long sixties’ unravels many of the complexities of these turbulent years and their dramatic impact on American society and culture.”

**Noam Chomsky, author of *Requiem for the American Dream***

“Schrecker, the doyen of the political history of higher education, has produced another masterpiece. Her deeply researched, authoritative, and sobering account demonstrates how the dream of radicalizing academia was crushed, ushering in today’s neoliberal university.”

**Robin D. G. Kelley, author of *Freedom Dreams: The Black Radical Imagination***

“Monumental and gripping, a peerless illumination of the era that so shaped our own. It should be read by everyone in—or concerned about—our embattled colleges and universities.”

**Nancy Maclean, author of *Democracy in Chains: The Deep History of the Radical Right’s Stealth Plan for America***

---

**ELLEN SCHRECKER** is a retired professor of history at Yeshiva University and the author of numerous books, including *No Ivory Tower: McCarthyism and the Universities*, *Many Are the Crimes: McCarthyism in America*, and *The Lost Soul of Higher Education: Corporatization, the Assault on Academic Freedom, and the End of the American University*.
